What skills and experiences qualify you to serve as a Chapter Delegate?

1. What skills and experiences qualify you to serve as a Chapter Delegate?

I would hope that my nearly 20 years experience in the APTA House of Delegates, including previously serving as APTA Wisconsin President and APTA Wisconsin Chief Delegate would allow me to represent Wisconsin and contribute to our profession in a meaningful way.

2. How do you envision the role of a APTA Wisconsin Delegate?

The primary role of a APTA Wisconsin Delegate is to represent our Wisconsin members and the full spectrum of their views to the best of our ability and advocate for our profession in an informed and effective manner.

3. Are there particular issues facing the profession currently that will require leadership by APTA Wisconsin Delegates?

There are many issues that face the profession that we must deal with head-on. A few of these issues include addressing the high levels of student debt, preventing reductions (and possibly even creating increases) in payment for services provided by PT's and PTA's, and leading the way for the physical therapy profession to be the answer to the healthcare crisis through our efficacious and cost-effective care.
