Employer and Position: Community Care Inc., Rehabilitation Supervisor

1. How would you identify and mentor new leaders within APTA Wisconsin?
 - a. I enjoy interacting with WPTA members during CEU courses, sponsored conferences, and district meetings. The past year has made it more difficult, but participating via video conference has offered new avenues to network with individuals from all around the state. To me, it is vital to present a diverse group of leaders for our constituents to select from for their elected positions.
2. What skills and experiences qualify you to serve on the Nominating Committee?
 - a. I have 11 years' experience working in a variety of settings, including outpatient and inpatient facilities. I have been a supervisor/director for the past 7+ years, where my duties have included mentoring talented clinicians and identifying new ones. My diverse background provides unique understanding of the impact of recent changes to state and federal programs have had on WPTA members.
