

NOMINATING COMMITTEE

Name: Ben Solheim

Credentials: PT, DPT, OCS, FAAOMPT

Education: BS in Biomedical Science UW-LaCrosse 2006, DPT from Clarke University 2009, EIM Orthopedic Residency 2013, Bellin Orthopedic Manual Therapy Fellowship 2020

Employer and Position:

Co-Owner and Regional Director of Health In Motion. Private Practice clinics with 8 locations in WI and 1 in PA.

1. How would you identify and mentor new leaders within APTA Wisconsin?
 - a. I have 25 therapists in the North Central District who would all be potentials for leaders as a part of my private practice. I also know many other therapists in the region who I can connect with again to see if there are potential leaders in the area.
2. What skills and experiences qualify you to serve on the Nominating Committee?
 - a. I have been able to identify leaders within our organization for many years and should be able to transfer those skills to this committee. I have been at multiple district meetings and events throughout my roughly 10 years in the district.
